One night in March 2008 Natu (Chris) and I were writing one another inspired by the song Play Me by Neil Diamond and also the song that was pouring through him at that time and as we always have done since we came together my beloved sweet Troubadour Chris and I (and even before this as well) we marry our words as One and from it came this poetry prose from our letters to one another. And this prose along with many others became a book of our poetry prose called Love Changes Everything

Play Me

*Play me.....
Like a strumming guitar
As gentle as the river flows....
Within the movement of fluidity....
Is the song of the heart given this nigh*

*For there is a moment....
A moment that is just ours....
A moment of co~creation*

*of inspiration
of celebration
of the love
of the light*

of all that is

Within you....

Within me...

Within us

That simply IS

And simply is meant to be

For we are the sun

And the moon

Two souls

joined in the sacredness

of why she is the melody

and he the harmony of this song

and it is now through this union

that real love is exchanged

Play me

As such journeys of the heart

That we two travel

For The Master Artist

has given its all for such lovers to entwine

Love is free from being a chemical connection

because they are a 'hunk'

or meet the requirements of what society and the lifestyle needs

of sending messages to the brain that this person is to be desired by me

Love is free from being the 'connection' energetically of wanting to hang out

and having sex with this person

Nor is love an emotional release

based on the pheromones produced by another that is like an addiction

Love is free from being the sexy attractants that trigger an emotional connection

Relationships are complex

and largely based on triggers based deeply within our beings

These triggers are governed by sexuality, a need for security and 'home',

and relating to on a deeper level

Yet, none of this is Love

Say not ' I love you' when you are embracing such a person

Rather say in total honesty
'You are meeting the desires of my being in this moment'
For Love, love is far greater

For a Love **REAL**ationship
A **real** soulful connection of Love
One of love Being Remembered and Embraced
In **absoulute** Oneness

This love is deeper than the sacrifice of any mother protecting her child
Love is deeper than one hanging on a cross
for the remote chance another may understand love through it
Love is deeper than total sacrifice offered

Love is witnessing the very Master Artist expressing all within infinity
proclaiming what real love is
Such is the Master Artist that has given the song of your heart
to be the perfect harmony of what one being proclaims

For when we say I love you
we say it from within our heart.....
From within our soul...
From all the love that is within me
Celebrating that love of the Master Artist expressing what love is that is within me
That I choose to share with you
And celebrating the love of the Master Artist expressing what love is that is within you
That you choose to share with me

I celebrate you
I celebrate me
I celebrate love
I celebrate the love that we have from within us that overflows

and enhances the love
and the All That Is,
that already and always IS
Infinitely Spiritual

Within you
Within me
Within the Master Artist
Within us all....

As the song of love

*That our hearts are guided by
Within its melody
And harmony
Of love
Is playing....*

Play Me....
